USAGE INSTRUCTIONS

- Never take the earplugs out when in a noisy environment
- Never remove the filters from the earplugs
- Never stand directly next to a speaker

Failure to comply with the above instructions may heavily decrease the effectiveness of your hearing protectors. Safe Ears cannot be held responsible for any consequences of using or not using the earplugs.

FITTING INSTRUCTIONS

Take an earplug with your index finger and thumb. Slightly raise the top of your auricle and gently insert the earplug into the ear with a rotating motion until it fits nicely.

The earplugs should be fitted, adjusted and maintained in accordance with the manufacturer's instructions. The earplugs should be worn at all times in noisy surroundings. The earplugs should be regularly inspected for serviceability. In case of damage please take a new plug. If the instructions mentioned in this flyer are not adhered to the protection afforded by the earplugs will be severely impaired. Thunderplugs are re-usable and are best cleansed in lukewarm water. This product may be adversely affected by certain chemical substances. Further information should be sought from the manufacturer. Thunderplugs are best stored in a dry place at room temperature, ca. 20 degrees Celcius. Thunderplugs are made from Silicone and Polystyrene.
