Certificate of Conformance

Issue No. 01

Original Certificate Date: 9 March 2001

Page: 1 of 1

Primary Approved Equipment

Equipment Category: SRD – Telemetry
Type Name: Low Power Radio transmitter
Type Designation: Transmitter Module

Temperature Range: -20 to +55°C

Approval(s) Spec	ITU Classification of Emission	Channel Separation(s)
EN 300-220-1 (1997-11)	400KFD	n/a

Product:	MKT5 (QFMT5)
Frequency:	433.92 MHz
ERP(Integral Ant):	7mW
Conducted Emissions:	Less than -36 dBm
Use of Equipment:	Remote control and telemetry applications
Version of s/w:	n/a

Statement of Conformance Applicable Against

Type Approval Standard:	EN0300-220-1 (1997-11)
ERC Decision adopting above standard:	ERC/DEC/(98)05
Additional Information:	FSK Modulation 160,000 bps

This certificate does not cover safety, fitness for any purpose or any requirements other than those stated.
