

## Certificate of Conformance

Issue No. 01

Original Certificate Date: 9 March 2001

Page: 1 of 1

---

### Primary Approved Equipment

Equipment Category: SRD - Telemetry  
Type Name: Low Power Radio Receiver  
Type Designation: Receiver Module

---

Temperature Range: -10 to +55°C

---

Approval(s) Spec	ITU Classification of Emission	Channel Separation(s)
EN 300-220-2 (1997-11)	400KF1D	n/a

---

Product:	MKR5 (QFMR5)
Frequency:	433.92 MHz
ERP:	n/a
Conducted Emissions:	Less than -57dBm
Use of Equipment:	Remote control and telemetry applications
Version of s/w:	n/a

---

### Statement of Conformance Applicable Against

---

Type Approval Standard:	EN300-220-2 (1997-11)
ERC Decision adopting above standard:	ERC/DEC/(98)05
Additional Information:	FSK Modulation 160,000 bps

---

This certificate does not cover safety, fitness for any purpose or any requirements other than those stated.
